

MCS Student Advances to Regional Final of the Rotary Youth Leadership Competition

On Tuesday November 7th, 2017 Deborah Fakeye, Moate Community School's representative in the Rotary Youth Leadership Competition participated in the Area Round of the competition held in the Radisson Hotel in Athlone. This process selected one student to represent Athlone Rotary in the Regional Section of the competition, and Deborah was chosen as a very worthy winner.

Deborah is currently preparing for her interview next week in Thurles, Co. Tipperary as she aspires to progress further in this competition which aligns with her interests and future career path. The competition rewards young people with clear leadership potential based on their extra-curricular activities. In February 2018, 24 regional winners will visit Belfast and Dublin and then the highlight of the trip will be to debate a variety of motions in the European Parliament in Strasbourg at Euroscola. We wish Deborah much luck in this activity.
