

## St. Brigid's Credit Union Quiz for Secondary School Students

On Friday October 20<sup>th</sup> Moate Community School participated in the local round of the Credit Union Quiz. The competition for second level students is a new initiative and an extension of the Primary School Quiz which takes place on an annual basis. Twelve teams from three local schools Moate Community School, Ard Scoil Chiarain Naofa, Clara and Presentation School, Killina took part and these are all located in the Credit Union Common Bond. First and second place teams will compete in the

Chapter Quiz in the Athlone Springs Hotel on Friday November, 10<sup>th</sup>, 2017.

Our school was represented by four teams on the night and our team comprising of Aoife Murray, Fionn Lyons, Conor Heavin and Doireann Coffey took first place and will now represent both the Credit Union and MCS in the next phase of the competition. Our other teams placed third, fourth and sixth. Needless to say we are very proud of the students and the hard work they did in advance of this endeavour.

The competition was excellent on the night with several teams chasing first and second place and thus, continuing on in the competition. The final results were very tight and this attested to the high standard set by the teams and as a testament of their knowledge in diverse areas such as sport, history, geography, politics and general knowledge to name a few. We wish our team Aoife, Fionn, Conor and Doireann the very best of luck in the Chapter Quiz.
