

## “European Languages Day” 2017 at Moate Community School

All language students united this year at Moate Community School to provide what was truly a wonderful celebration of cultures.

Spanish, French, and Irish students worked hard to provide a rich tapestry of culture in the form of posters, banner and flags and music.

Language, art, history, geography and festivals, were just a few of the many cultural aspects promoted in this celebration.

Students from all languages, with the help of the ever willing Home

Economics department prepared traditional cuisine for all to sample and enjoy.

The day was a wonderful success and a clear indication that cultural awareness is thriving at Moate Community School.
