2. Characteristic spirit and general objectives of the school:

Mission Statement of the School:

Our school is characterised by an atmosphere of respect. This is at the heart of our school ethos. Respect manifests itself in our attitude towards one another in the school, in the community and in the environment in which we live and work. We endeavour to help each individual reach his/her full potential by promoting the formation of the whole person. We provide an education which empowers young men and women to put their Christian beliefs and values into practice. As a Community School we strive to provide an educational environment which serves the needs and aspirations of the entire local community.

Characteristic Spirit of a Community School under the joint patronage of Catholic and ETB Patrons

Moate Community School is a co-educational multi-denominational post-primary school under the joint patronage of the Provincial of the Congregation of Sisters of Mercy, the Provincial of the Carmelites in Ireland and the Chief Executive of the Longford and Westmeath Education and Training Board. Community Schools provide a comprehensive system of post-primary education open to all the children of the local community. An innovative approach to delivery of a wide-ranging curriculum contributes to the spiritual, moral, mental, physical and social well-being of students within their community. Community Schools may also provide for life-long learning within their local community through the provision of adult education programmes.

Our school was established under the Deed of Trust and opened on 1996 following the amalgamation of the Convent of Mercy Secondary School, Carmelite College Secondary School and Moate Vocational School (formally Co. Westmeath V.E.C.) The values of LWETB as a multi-denominational State Body and the inherited traditions, Christian values and founding intentions of the Congregation of Sisters of Mercy and the Carmelite Order are enshrined in the characteristic spirit and in the life of our school and are respected and cherished.

The core values of Moate Community School are care, respect, community, inclusion, equality, justice and fairness. These values combine to provide and support an atmosphere which is conducive to excellence in teaching and learning. We endeavour to assist each student to reach his/ her full potential in a calm, caring and creative environment.

Our values are reflected in how we live as a school community. The unique and intrinsic value of each member of the school community is recognised and respected. All are treated equally, regardless of race, gender, religion/belief, age, family status, marital status, civil status, membership of the Traveller community, sexual orientation, ability, disability or socio-economic status. All students are given equal opportunity for enrolment, in line with the Education (Admissions to School) Act (2018) construed in accordance with section 3 of the Equal Status Act 2000. Once enrolled, Moate Community School provides all our students with equal opportunities to engage with the curriculum, school life and the local community.

Moate Community School provides a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. We strive to enable every student to realise their full potential regardless of any aspect of their identity, culture or background. Our school promotes a fully inclusive education which recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded and responsible citizens with a strong sense of shared values with a view to contributing to a just and fairer society.

Our school is multi-denominational where we welcome, respect and support students of all religions and beliefs. The provision of religious education, religious worship and the work of the Chaplain all combine to reflect the founding intention of the school, the school's mission statement and the needs of the students within the school. The characteristic spirit of the school finds practical expression through the provision of pastoral, liturgical and social outreach activities, as appropriate, for each student.

In Moate Community School we celebrate the partnership, collaboration and empathy which nurtures and develops our young people in a community where the essence of our ethos is care and respect for self, others and our environment.

Vision Statement of the School:

We, the Trustees of Moate Community School, envisage a school based on a Christian community of Faith, providing a secure environment for learning and teaching, which is conducive to the holistic development of the whole school community. The ambience will be open, supportive and welcoming, where students, teachers and support staff feel a sense of belonging, and parents are active partners in the education of their children.

- (a) an application for admission of a student to the school, or
- (b) the admission or continued enrolment of a student in the school.

Note: Exceptions apply only in relation to fee charging post primary schools, the boarding element in Boarding Schools and admission to post leaving cert or further education courses run by post-primary schools.

17. Arrangements regarding students not attending religious instruction:

Alternative arrangements will be put in place to facilitate the student's requirements.

Moate Community School offers religious education in all year groups as it promotes the holistic development of students and can contribute positively to their wellbeing in line with the principles of the Junior Cycle and Senior Cycle Frameworks and in the spirit of the Deed of Trust. It facilitates the intellectual, social, emotional, spiritual values and moral development of students and encourages respect for all members of our school communities. In addition, religious education supports the 'multi-denominational' aspect of our school's ethos as it provides opportunities for students to engage with questions around their own religious or non-religious beliefs and those of their peers.

In this context it is important to understand the distinction between 'religious education' and 'religious instruction':

- Religious education is open to all pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.
- Religious instruction is instruction in accordance with the rites, practices and teachings of a particular religion or denomination for pupils of that religious tradition.

Given that Religious Education, as distinct from Religious Instruction, is timetabled across our school at all levels the legal requirement to advise of the option to opt-out of religious instruction does not arise.
